SUPERVISOR

Supervisor Thomas Dolin
Town of New Scotland
2029 New Scotland Rd
Slingerlands, NY 12159

Dear Supervisor Dolin,

It was recently suggested that the New Scotland Hamlet Study Advisory Committee provide comments to the Town Board on the updated Local Law B proposal. As a Capital District Transportation Committee (CDTC) advisory committee we do not believe it is appropriate for the committee to submit comments on this matter pending before the Town Board. The current Hamlet Linkage Study and Local Law B are not contingent on each other nor do they conflict. CDTC can continue conducting the study under the Town's current zoning or revised zoning as proposed in Local Law B.

After much discussion, we feel it's probably best for this pending zoning matter to be resolved prior to moving forward with the study. Accordingly, we have decided to postpone any public meetings, including study advisory committees, until Local Law B has been voted on. CDTC staff and Behan Planning will continue collecting data and working on the Existing Conditions Report until we find it appropriate to convene the advisory committee again. Please do not hesitate to contact me with any questions. We look forward to continuing our work with New Scotland.

Sincerely,

Jennifer A. Ceponis
Transportation Planner
